Duties of an Usher

The usher plays a very helpful role in the celebration of the Eucharist by:

- Greeting people as they enter the church.
- Seating people.
- Helping the elderly.
- Directing people to facilities of the church such as cry-rooms, telephones, restrooms, other buildings or offices, etc.
- Picking up the offertory collections at Mass.

Being an Usher
is a
rewarding commitment
of
serving the Lord.

Ushers are
Men & Women
called by God
to receive
with the rest
of the
community.
