Jobseekers is a self help support group designed to help with résumé writing, job interview skills, labor market statistics and general job searching practices. Whether you are a skilled laborer, a professional, a housewife, or student looking for his/her first job, *Jobseekers* can help you!

Resources are available through this ministry to help individuals in many areas. The *Jobseekers* ministry can guide the individual seeking employment with skills assessment, better interviewing, dressing for success, and interview follow-up. Many prospective employees find it helpful to meet on a weekly basis until the right position is found. This allows the individual to improve with each interview and gain self confidence.

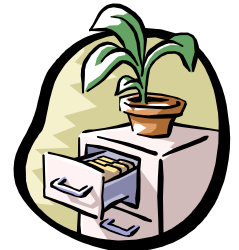

Jobseekers meet every **Thursday at 7:00 PM.**

Meetings are held in the Teachers' Lounge on the school side of the SMM Gym.

SMM *Jobseekers* Ministry is led by Mr. Paul Rohlinger. Paul has been a parishioner since 1977. He is very active in our church community and also volunteers countless hours with the youth of our parish.

Mr. Rohlinger brings experience and expertise from his work in the labor market to benefit this ministry. He has been employed by the State of Louisiana Job Services in Slidell for over 23 years. Because of this position, he also has information on various federal and state programs, federal and state job listings and many other job listings in this and the surrounding areas.
